Q: HOW DO I RECEIVE CARE?

A: To access your vision benefit:

1. Locate the National Vision Administrators' (NVA) provider most convenient for you by visiting e-nva.com, or call NVA's Member Service Department toll-free at 855-272-4537.
2. Schedule an appointment. When making the appointment tell the office that you are an NVA member and provide your name and your subscriber number.
3. When you arrive, identify yourself as an NVA member and present your ID card.
4. Your NVA provider will take care of the rest.

Q: CAN I USE ANY VISION CARE PROVIDER?

A: Yes, you may use any licensed provider or an NVA participating provider. Visit e-nva.com for a listing of participating network providers. When you or your dependent(s) incur expenses for covered vision services, payments will be made in accordance with the list of benefits and services.

By receiving your vision care from a participating NVA network provider, you benefit from NVA's pre-negotiated fee schedules. Using a participating provider can reduce your out-of-pocket costs.

Q: HOW DO I FILE A CLAIM?

A: It is the responsibility of the provider to verify eligibility and submit the claim for in-network services. If you visit an out-of-network provider, you will be responsible for paying the provider in full at the time of service, and then submitting the claim and itemized receipts to NVA for reimbursement.

To ensure timely payment, contact NVA's Member Service Department toll-free at 855-272-4537, or visit e-nva.com to request an out-of-network claim form. Mail the completed form along with the itemized paid receipts for services and materials to the following:
