Dominion Celebrates National Children’s Dental Health Month,
Donates Dental Care Kits to Local Clinics

Alexandria, Va. – Dominion Dental Services – a leading provider and administrator of dental and vision benefits headquartered in Alexandria, Va. – donated thousands of dental care kits to local clinics in the Mid-Atlantic in honor of National Children’s Dental Health Month (NCDHM). Kits included toothbrushes, toothpaste, floss and fun oral health facts in an effort to help promote pediatric oral health awareness.

Each February, the American Dental Association (ADA) sponsors NCDHM to raise awareness about the importance of oral health. NCDHM messages and materials have reached millions of people in communities across the country.

“The advocacy for pediatric oral health care continues to gain momentum with the Affordable Care Act including pediatric dental as one of the 10 essential health benefits,” said Dominion President Mike Davis. “We are pleased to support local organizations and clinics in the communities we serve that work directly with children to emphasize good oral health.”

Dental care kit recipients included: the City of Alexandria Child Assessment & Treatment Center for Health (CATCH), State of Maryland Early Childhood Comprehensive System (ECCS) Initiative, Baltimore City Department of Social Services’ Making All The Children Healthy (MATCH) Program, Richmond City Health District Health Education Program, Norfolk Department of Public Health’s Pediatric Clinic, State of Delaware’s First Smile Delaware Program, Philadelphia Department of Public Health’s Ambulatory Health Division and Allegheny County Health Department’s Dental Clinics.

About Dominion Dental Services

Dominion Dental Services (Dominion), incorporated in 1996, is a leading provider and administrator of dental and vision benefits in the Mid-Atlantic, offering managed care and indemnity programs, claims adjudication and comprehensive plan administration. Among our 500,000 customers are leading health plans, employer groups, municipalities, associations and individuals. Dominion is headquartered in Alexandria, Va. Dominion was selected by the U.S. Office of Personnel Management (OPM) as a dental carrier for the Federal Employees Dental and Vision Insurance Program (FEDVIP), effective January 1, 2014. Dominion is one of 10 carriers participating in the program that makes dental benefits available to Federal employees, retirees and their families.

The Dominion group of companies includes Dominion Dental Services, Inc., a licensed issuer of dental plans, and Dominion Dental Services USA, Inc., a licensed administrator of dental and vision benefits.
