Out-of-Network Allowance	
	Maximum Allowable Charge

1. Unlike Participating Dentists that have agreed to negotiated fees for services, Non-Participating Dentists have no contract with Dominion or Dominion's leased dental networks. As such, Non-Participating Dentists set their own fees and Dominion only reimburses the Member based on the Maximum Allowable Charge, a limitation on the billed charges by a Non-Participating Dentist as determined by the geographic area where the expenses are incurred. This means that if the Non-Participating Dentist's fee is higher than Dominion's Maximum Allowable Charge, the Member will be billed the remaining balance to cover the Non-Participating Dentist's fee.

- Waiting Period credit will be given for the length of time Member was covered under each benefit classification under the current employer's prior dental plan.
- If course of treatment is to exceed $300, pre-authorization is recommended. This is not mandatory but would allow the Member to see the cost of treatment prior to services.

Plan will pay either the Participating Dentist's In-Network Allowed Amount or the Out-of-Network Maximum Allowable Charge (subject to service coverage percentage) for dental procedures and services as shown below, after any required annual deductible.
