SMILE FOR TOTAL HEALTH

A guide to your dental benefits: Adult \$0 Preventive Dental

Your dental plan emphasizes healthy smiles through the prevention and early detection of dental problems to avoid costly procedures in the future. The combination of predictable costs, no deductibles, and no annual maximums helps you reach a state of good oral health without facing the high cost of treatment typical of many dental plans.

The \$0 Preventive plan provides coverage-or access to a fixed fee schedule for certain noncovered dental services-for more than 250 dental procedures through one of the largest dental provider networks¹ in the Mid-Atlantic area.² You have your choice of convenient dental offices where you can receive care.

You pay a \$0 copay for each covered preventive care office visit, which includes procedures such as:

- Oral evaluations
- Routine cleaning
- Certain X-ray procedures

The preventive care procedures covered on this plan account for over 65% of dental services most frequently performed for adults. Other listed dental services are available for the fixed fees shown on the fee schedule, which you pay directly to your provider as payment in full.

New member? Get started by choosing a dentist.

Visit dominionnational.com/kaiserdentists or call Dominion Member Services at 855-733-7524 (TTY 711), Monday through Friday, 7:30 a.m. to 6 p.m.

Save on restorative care

More extensive care (fillings, crowns, dentures, root canals, periodontal treatment, oral surgery, etc.) is offered at fixed fees lower than the usual and customary charges for these services. Only the services listed in the fee schedule are available for fixed fees, provided the services are performed by plan-participating dentists and specialists. For a complete list of covered benefits, exclusions, limitations, and terms for the fixed fees, please refer to your Evidence of Coverage, or you can find your plan on dominionnational.com/kaiserdentists.

Choose a dentist

You may select any general dentist from among our participating dental providers for yourself. Each eligible family member may use a different participating dentist. For a list of participating dentists or information about a dentist, including office hours, directions, languages spoken, etc., visit dominionnational.com/kaiserdentists or call Dominion Member Services at 855-733-7524 (TTY 711), Monday through Friday, 7:30 a.m. to 6 p.m. Specialty care is also available in many locations. To receive treatment from a participating specialist, ask your participating general dentist to arrange a referral. Services received from non-participating dentists are not covered.

Make appointments

After your effective date of coverage, you can make an appointment with a participating general dentist. Make sure you bring your Kaiser Permanente medical ID card to your appointment. There is no separate dental ID card. And you'll have virtually no paperwork and no pre-existing condition exclusions to worry about.

Quality dental care

You can be confident that your dentist was carefully selected to offer quality care. All participating dentists go through a strict quality assurance program developed in accordance with the National Association of Dental Plans' recommendations. This process confirms that each dentist has the required credentials and has passed a thorough on-site office evaluation.

Dedicated customer service

Quality customer service is an important part of any dental plan. Knowledgeable Dominion Member Services specialists are available Monday through Friday, 7:30 a.m. to 6 p.m., to answer questions about coverage or to help you find a participating dentist. Dominion's interactive voice response system is available 24 hours a day for information about participating dental providers in your area or to help you select a dental provider. The most upto-date list of participating dental providers can be found online.

Dental benefits are underwritten by Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc., and administered by Dominion National. This program also includes fixed fees for certain dental services that are not covered benefits.

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. \$0 Preventive Dental Plan Schedule of Dental Fees – 2020

Procedures not shown in this list are not covered. Detailed dental benefits may be found in the *Evidences of Coverage* (plan material you will receive following your enrollment in our plan).

Fees quoted in the "Dentist Copay" column apply only when performed by a participating general dentist. If specialty care is required, your general dentist should refer you to a participating specialist. Referrals to a participating specialist for specialty care services is strongly advised so as to assist with communications from the general dentist to the treating specialist. Services received from non-participating dentists are not covered under this plan, except for emergency services, out-of-area urgent care, and referrals to non-participating specialists.

Fixed Copayment \$0: You pay a combined FC of \$0 for any visit during which one or more of the following procedures are performed: (a) an oral exam (D0120, D0140, D0145, D0150, D0170 or D0180); (b) X-rays (D0220, D0230, D0240, D0250, D0270, D0272, D0273, D0274, D0277, D0340, D0350 or D0351); (c) a pulp vitality test (D0460); (d) a diagnostic cast (D0470); (e) a routine cleaning (D1110 or D1120); (f) fluoride application (D1206 or D1208); or (g) you are given oral hygiene or counseling instructions (D1310, D1320 or D1330). You pay a separate fee for any other procedure performed.

N/B: No benefit is provided.

NOTE: The Schedule of Dental Fees is reviewed annually and is subject to change at the renewal date each year. Contact Dominion for details at 855-733-7524 or TTY 711, Monday through Friday, 7:30 a.m. to 6 p.m.

- **B.** Health Plan has entered into an agreement with Dental Administrator to provide Covered Preventive Care Dental Services and certain other Covered Dental Services through its Participating Dental Providers.
- C. You will receive a list of Covered Preventive Care Dental Services and other Covered Dental Services and the associated Dental Fees that you will be charged for each Service. You will pay a fixed copayment for each preventive care office visit during which Covered Preventive Care Dental Services are provided. The fixed copayment does not apply to the following preventive Services: intraoral complete series (D0210), panoramic film (D0330), additional cleaning beyond benefit limitation (D1110), sealant (D1351, D1352), interim caries arresting medicament application per tooth (D1354), space maintainer (D1510, D1515, D1520, D1525, D1575), and re-cementation of space maintainer (D1550). You will pay the applicable Dental Fee directly to the Participating Dental Provider at the time Services are rendered. The Participating Dental Provider has agreed to accept that Dental Fee as payment in full of the Member's responsibility for that procedure. Neither Health Plan nor Dental Administrator are responsible for payment of these fees or for any fees incurred as the result of receipt of non-Covered Dental Services or any other non-covered dental Service.
- **D.** You will receive a list of Participating Dental Providers from the Health Plan or from Dental Administrator.
- E. You should select a Participating Dental Provider, who is a "General Dentist", from whom you and your covered

family members will receive Covered Preventive Care Dental Services and other Covered Dental Services. Specialty care is also available should such care be required, however, you must be referred to a Dental Specialist for specialty care by your General Dentist. Your Dental Fees are usually higher for care received by a Dental Specialist.

- **F.** You may obtain a list of Participating Dental Providers, Covered Dental Services and Dental Fees by contacting Dental Administrator or the Health Plan's Member Services Department Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

The fee may vary depending on the Participating Dental Provider, however in no event shall the missed appointment fee exceed \$50 for a single visit.

III. SPECIALIST REFERRALS

A. Participating Specialist Referrals

If, in the judgment of your General Dentist, you require the Services of a specialist, you may be referred to a Dental Specialist who will provide Covered Dental Services to you at the Dental Fee for each procedure rendered.

B. Non-Participating Specialist Referrals

Benefits may be provided for referrals to non-Participating Dental Provider specialists when:

- 1. You have been diagnosed by your General Dentist with a condition or disease that requires care from a dental specialist; and
- 2. Health Plan and Dental Administrator do not have a Participating Dental Provider specialist who possesses the professional training and expertise required to treat the condition or disease; or
- 3. Health Plan and Dental Administrator cannot provide reasonable access to a Dental Specialist with the professional training and expertise to treat the condition or disease without unreasonable delay or travel.

The Member's cost share will be calculated as if the provider rendering the Covered Dental Services was a Participating Dental Provider.

C. Standing Referrals to Dental Specialists

- 1. If you suffer from a life-threatening, degenerative, chronic or disabling disease or condition that requires specialized care, your General Dentist may determine, in consultation with you and the Dental Specialist, which you would be best served through the continued care of a Dental Specialist. In such instances, the General Dentist will issue a standing referral to the Dental Specialist.
- 2. The standing referral will be made in accordance with a written treatment plan developed by the General Dentist, Dental Specialist, and you. The treatment plan may limit the number of visits to the Dental Specialist or the period of time in which visits to the Dental Specialist are authorized. Health Plan retains the right to require the Dental Specialist to provide the General Dentist with ongoing communication regarding your treatment and dental health status.

IV. EXTENSION OF BENEFITS

- **A.** In those instances when your coverage with Health Plan has terminated, we will extend Covered Dental Services, without payment of Premiums, in the following instances:
 - 1. If you are in the midst of a course of covered dental treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the Evidence of Coverage and Adult Dental Plan Rider in

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

effect at the time your coverage ended, for a period of 90 days following the date your coverage ended.

- 2. If you are in the midst of a course of covered orthodontic treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the Evidence of Coverage and Adult Dental Plan Rider in effect at the time your coverage ended, for a period of:
 - a. 60 days following the date your coverage ended, if the orthodontist has agreed to or is receiving monthly payments; or
 - b. Until the later of 60 days following the date your coverage ended, or the end of the quarter in progress, if the orthodontist has agreed to accept or is receiving payments on a quarterly basis.

To assist us, if you believe you qualify under this "Extension of Benefits" provision, please notify us in writing.

B. Extension of Benefit Limitations:

The "Extension of Benefits" section listed above does not apply to the following:

- 1. Coverage ends because of your failure to pay premium;
- 2. Coverage ends as the result of you committing fraud or material misrepresentation;
- 3. When coverage is provided by another health plan and that health plan's coverage:
 - a. Is provided at a cost to you that is less than or equal to the cost to you of the extended benefit available under this Rider; and
 - b. Will not result in an interruption of the Covered Dental Services you are receiving.

V. DENTAL EMERGENCIES OUTSIDE THE SERVICE AREA

When a dental emergency occurs outside the Service Area, Dental Administrator will reimburse the non-participating provider directly. If the member has already paid the charges, the Dental Administrator will reimburse the member (upon proof of payment) instead of paying the provider directly for Covered Dental Services that may have been provided. Reimbursement to the member or non-participating provider is not to exceed \$100 per incident. Services are limited to those procedures not excluded under Plan Limitations and Exclusions. Proof of payment must be submitted to Dental Administrator by provider within one hundred eighty (180) days of treatment. The Dental Administrator will allow Members to submit claims up to one (1) year after the date of service. However, a Member's legal incapacity shall suspend the time to submit a claim; and the suspension period ends when legal capacity is regained. Failure to submit a claim within one (1) year after the date of services does not invalidate or reduce the amount of the claim if it was not reasonably possible to submit the claim within one (1) year after the date of services; and the claim is submitted within two (2) years after the date of service. Proof of loss should be mailed to: Dominion National, 251 18th Street South, Suite 900, Arlington, Virginia 22202, ATTN: Accounting Dept.
