### **Preventive Dental Plan**

The preventive dental plan offered by Kaiser Permanente and administered by Dominion Dental Services USA, Inc. (Dominion) provides cost-effective dental care. We emphasize healthy smiles through prevention and the early detection of dental problems. Our preventive dental plan promotes healthy teeth and gums to reduce the need for costly procedures in the future. The combination of predictable costs, no deductibles, and no annual maximums helps you reach a state of good oral health without the financial barriers to treatment typically found with many dental plans.

With the preventive dental plan, you pay a fixed rate of \$30 for each preventive care office visit, which includes oral evaluation, cleaning, and certain X-ray procedures. Other covered dental services are provided at a reduced fee. Participating dentists have agreed to accept the associated dental fee as payment in full for covered dental services. Neither Kaiser Permanente nor Dominion is liable for payment of these dental fees or for any fees incurred for non-covered dental services.

### **Choosing a Dentist**

You may select a general dentist from the list of participating dental providers for yourself and your eligible family members. Specialty care is also available. You may call Dominion's Member Services Department at 703-518-5338 or toll-free at 1-888-518-5338, Monday through Friday, 7:30 a.m. to 6 p.m., (TTY 711) for a list of participating specialists. To receive treatment from a participating specialist, please contact your participating general dentist to arrange a referral. Specialists are available in many locations throughout the community, but your discounted fees will be higher for care you receive from a network specialist. Services received from non-participating dentists are not covered under this plan.

### **Quality Dental Care**

With the preventive dental plan, you can be confident that your dentist was carefully selected to offer quality care. All dentists go through a strict quality assurance program developed in accordance with the National Association of Dental Plans' recommendations. This process confirms that each dentist has the required credentials and has passed a thorough on-site office evaluation.

### **Dedicated Customer Service**

We also know that quality customer service is an important component of any dental plan. Knowledgeable Dominion Member Services Specialists are available Monday through Friday, 7:30 a.m. to 6 p.m. at 703-518-5338 or toll-free at 1-888-518-5338 to answer questions about coverage or to help you find a participating dentist. Hearing-impaired members can use the Internet at IP-RELAY.com or call our TTY phone number at 711 for assistance. Dominion's integrated voice response system is available 24 hours a day for information about participating dental providers in your area or to help you select a participating dental provider. The most up-to-date list of participating dental providers can be

found at [DominionDental.com/kaiserdentists](http://DominionDental.com/kaiserdentists).

Dominion also provides many other secure features online at [DominionDental.com](http://DominionDental.com). Finding a participating dentist using the Internet couldn't be easier.

### **Plan Benefits Include:**

- \$30 fixed charge for most diagnostic and preventive care services
- No deductibles
- No annual benefit maximums
- Virtually no claim forms to fill out

A complete list of discounted services is enclosed.

## Extension of Benefits - Maryland

Extension of Benefits applies only to Kaiser Permanente members for Individuals and Families who live in the State of Maryland and Employer Group Kaiser Permanente members when the employer group is headquartered in the State of Maryland.

For members who meet the conditions above, in those instances when your coverage with us has terminated, we will extend covered dental services, without charging a premium when coverage has ended in the following instances:

- (1) If you are in the midst of a course of covered dental treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the agreement or *Evidence of Coverage* and dental rider in effect at the time your coverage ended, for a period of 90 days following the date your coverage ended.
- (2) If you are in the midst of a course of covered orthodontic treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the agreement or *Evidence of Coverage* and dental rider in effect at the time your coverage ended, for a period of:
  - 60 days following the date your coverage ended if the orthodontist has agreed to or is receiving monthly payments; or
  - until the latter of 60 days following the date your coverage ended, or the end of the quarter in progress if the orthodontist has agreed to accept or is receiving payments on a quarterly basis.

You must notify Kaiser Permanente in writing if you believe you qualify under this "Extension of Benefits" provision.

### Limitations:

The "Extension of Benefits" section listed above does not apply in the following instances:

- Coverage ends because of failure by the member to pay dues;
- Coverage ends as the result of a member committing fraud or material misrepresentation;
- When coverage is provided by another health plan and that health plan's coverage:
  - (a) is provided at a cost less than or equal to the cost of the extended benefit available under the dental rider and,
  - (b) will not result in an interruption of covered dental services to you.

# How we protect your rights to privacy and confidentiality

We know that protecting your privacy rights is important. Therefore, we believe you should know how we keep your personal and medical information confidential and how we may use it. A more complete description of our privacy practices may be found in our Notice of Privacy Practices. New subscribers receive a copy of this notice by mail at the time of enrollment. You may also obtain a copy by calling Member Services or at any Kaiser Permanente medical center.

We have many guidelines in place to protect your rights to privacy and confidentiality. Here are a few examples:

1. Our physicians and employees sign confidentiality statements. This affirms their commitment to protect your information. Only those who "need to know" to make decisions about your health care are permitted to view your medical record.
2. Our physicians, employees, and other workforce members receive training on the state and federal standards for the use and disclosure of your protected health information.
3. Contractors also sign a statement that they will protect your information.
4. Your right to have confidential medical records is part of our members' rights and responsibilities.
5. You have the right to deny release of your information. This is so, except when: required by law; permitted for your treatment; permitted for payment of services; or allowed for health plan operations.
6. Except as permitted by law, we take out any information that could identify you before talking to your employer or employer representative about the use or cost of services.
7. Our staff will ask to see a valid photo ID when you request care or services. If you don't have a valid ID, we will ask you one or two questions that will help us confirm your identity.

Except as permitted by law, we must have your permission in writing before we can share your information for the reasons that follow. The release must explain the exact information to be shared and be signed by you. Your member services representative can give you more details and a release form.

1. Giving your employer or employer representative the status of your claims.
2. Sharing your medical information with an outside party, except when required or permitted for legal or regulatory reasons or as allowed for treatment, payment, or health plan operation purposes.

We may use your protected information in the following day-to-day operations of the health plan. These tasks are in agreement with the Health Insurance Portability and Accountability Act (HIPAA) and the general release of information in your agreement or *Evidence of Coverage*.

1. Talking with your employer representative about changes to your membership information.
2. Giving a parent the status of his or her child's claim (if the child is under 18 years of age and there is no legal reason not to do so).
3. Providing your name and address to our contracted mail houses. This is so you can receive our health mailings to prevent or manage chronic diseases, and other health care information.
4. Sharing information with government agencies or other insurers for liability or payment purposes.
5. Providing information as required or permitted by federal, state, or local laws.
6. Supporting medical research, as permitted by law.
7. Professional, tracking, or quality improvement tasks.

**Note: "You" may also refer to your authorized representative.**
